

Rodington Parish Council

Road Safety Scheme – Proposals (Stage 2)

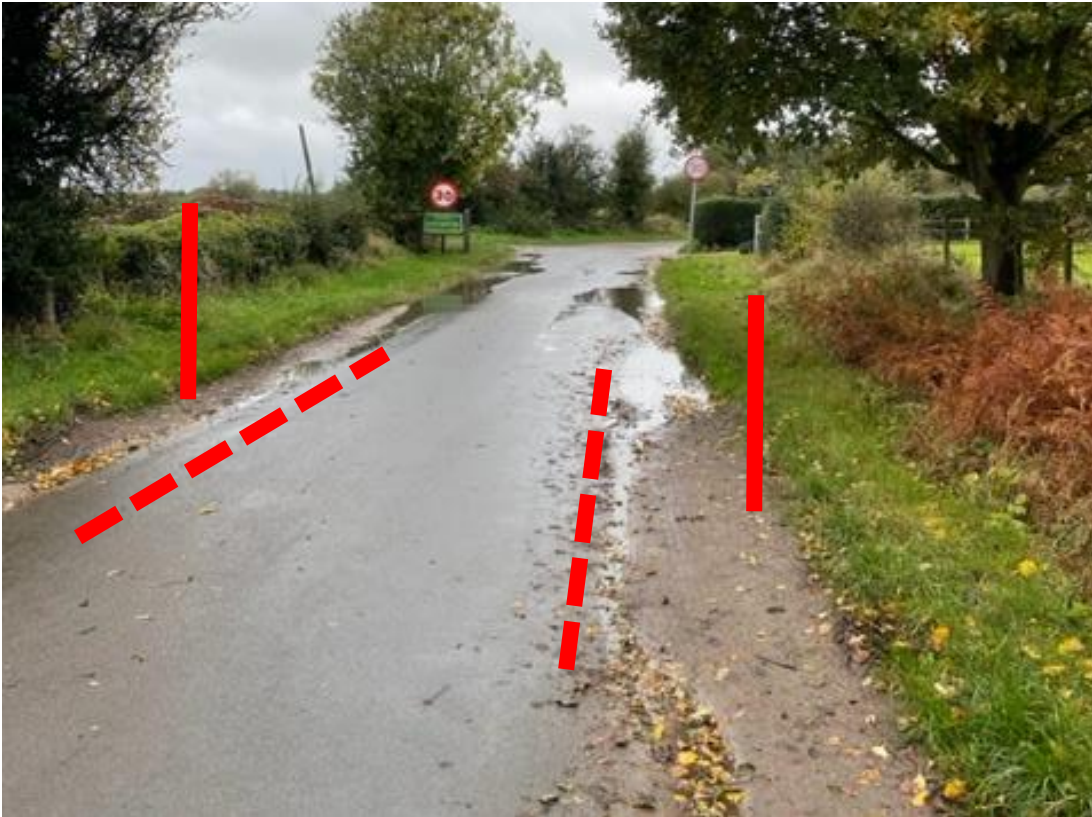

Viewpoint 1

Detail: Move the 30mph back away from **///sound.hourglass.rising** to **///tickles.firming.backup** to allow drivers to slow down sooner, before entering the main built up areas of Rodington Heath and Somerwood.

Current welcome and 30mph signage is located at **///sound.hourglass.rising** so can be moved.

Viewpoint 2

Detail: Install cobbled strips along this stretch, hatching them in, to slow drivers down before entering 30mph zone and main built-up areas of Rodington. Location: **///informed.disbanded.stays**

Consider post each side to avoid speeders driving over strips with force.

Viewpoint 3

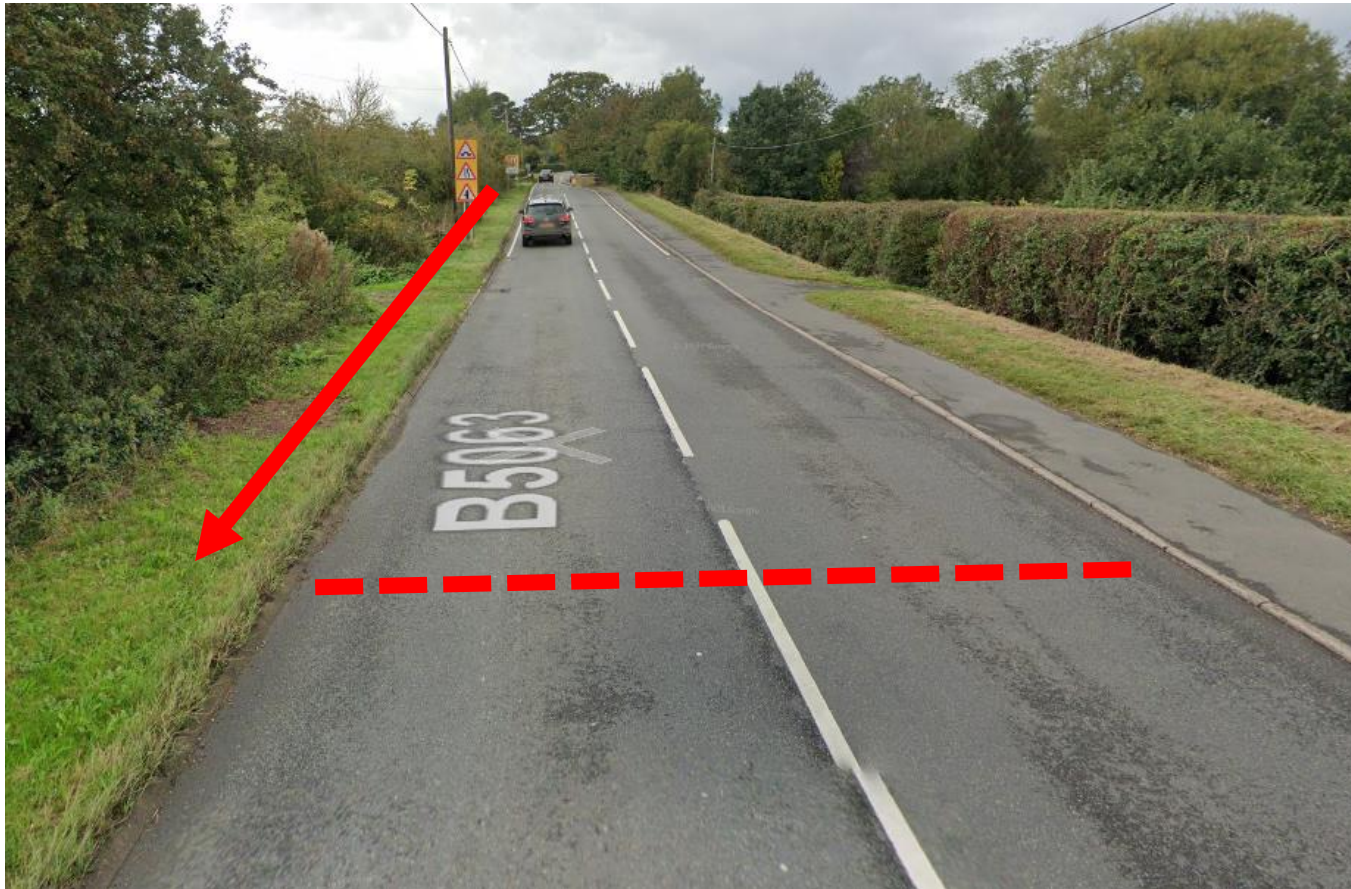

Detail: Bring welcome and 30mph sign before hatching to give drivers advance notice before getting close to SID. Location: [///maple.bleaker.stow](http://maple.bleaker.stow)

Viewpoint 4

Detail: Remove central lining and replace with cobble strip to visually change width of road and slow drivers down when accessing and exiting Isombridge Lane. Location: **///proofread.pasting.outboard**

Viewpoint 5 (side 1)

Detail: Move give way sign back, to give drivers and HGV's earlier notification of bridge. Also introduce cobble strip across this road to slow drivers in both directions. Location: [///womanly.riskiest.plotter](https://www.womanly.riskiest.plotter)

Rodington Parish Council

Road Safety Scheme – Proposals (Stage 2)

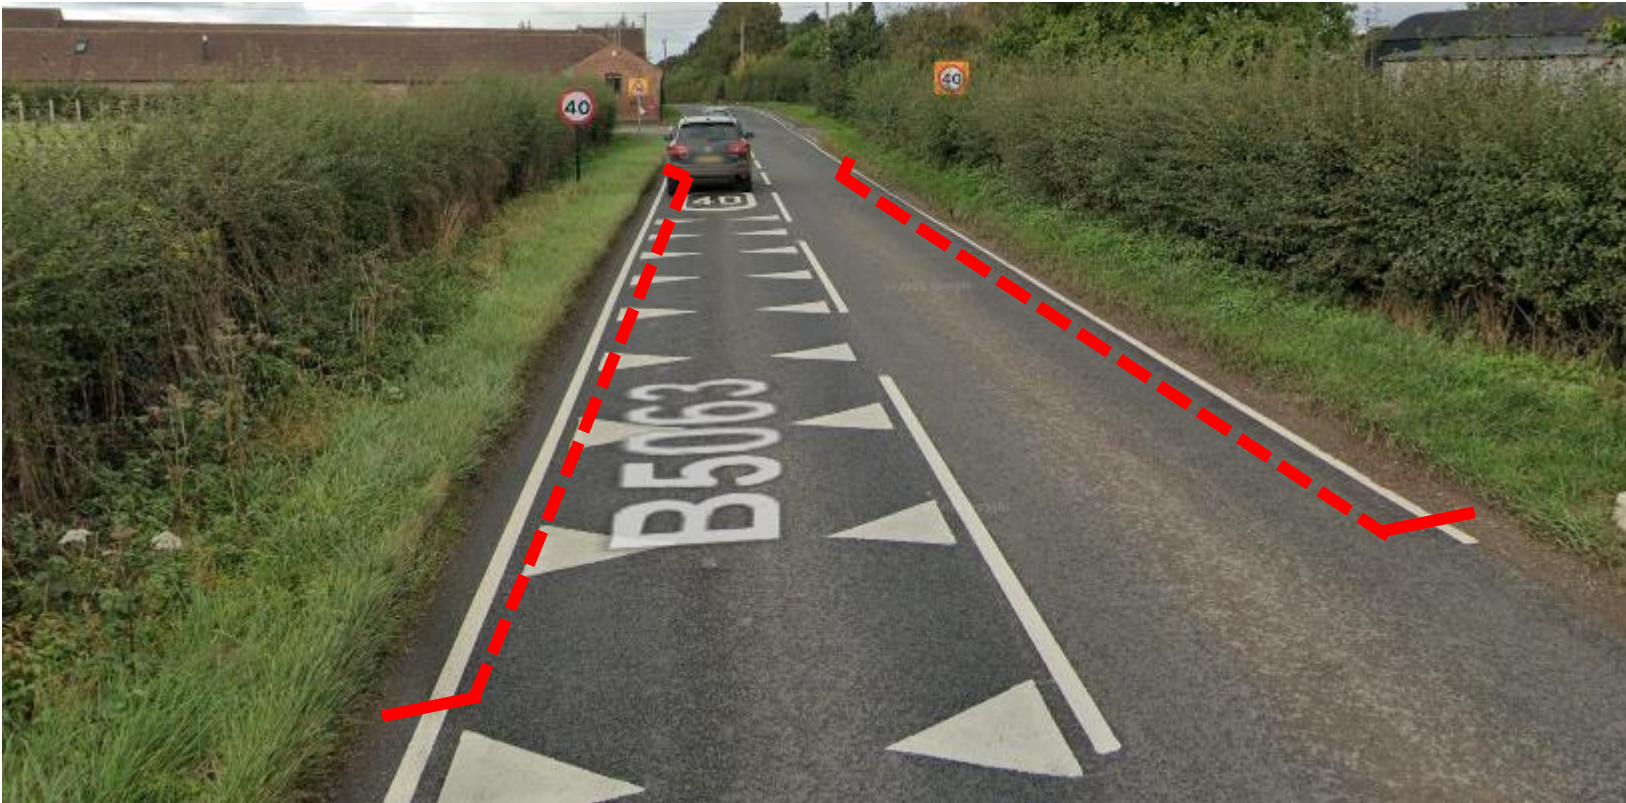

Viewpoint 5 (side 2)

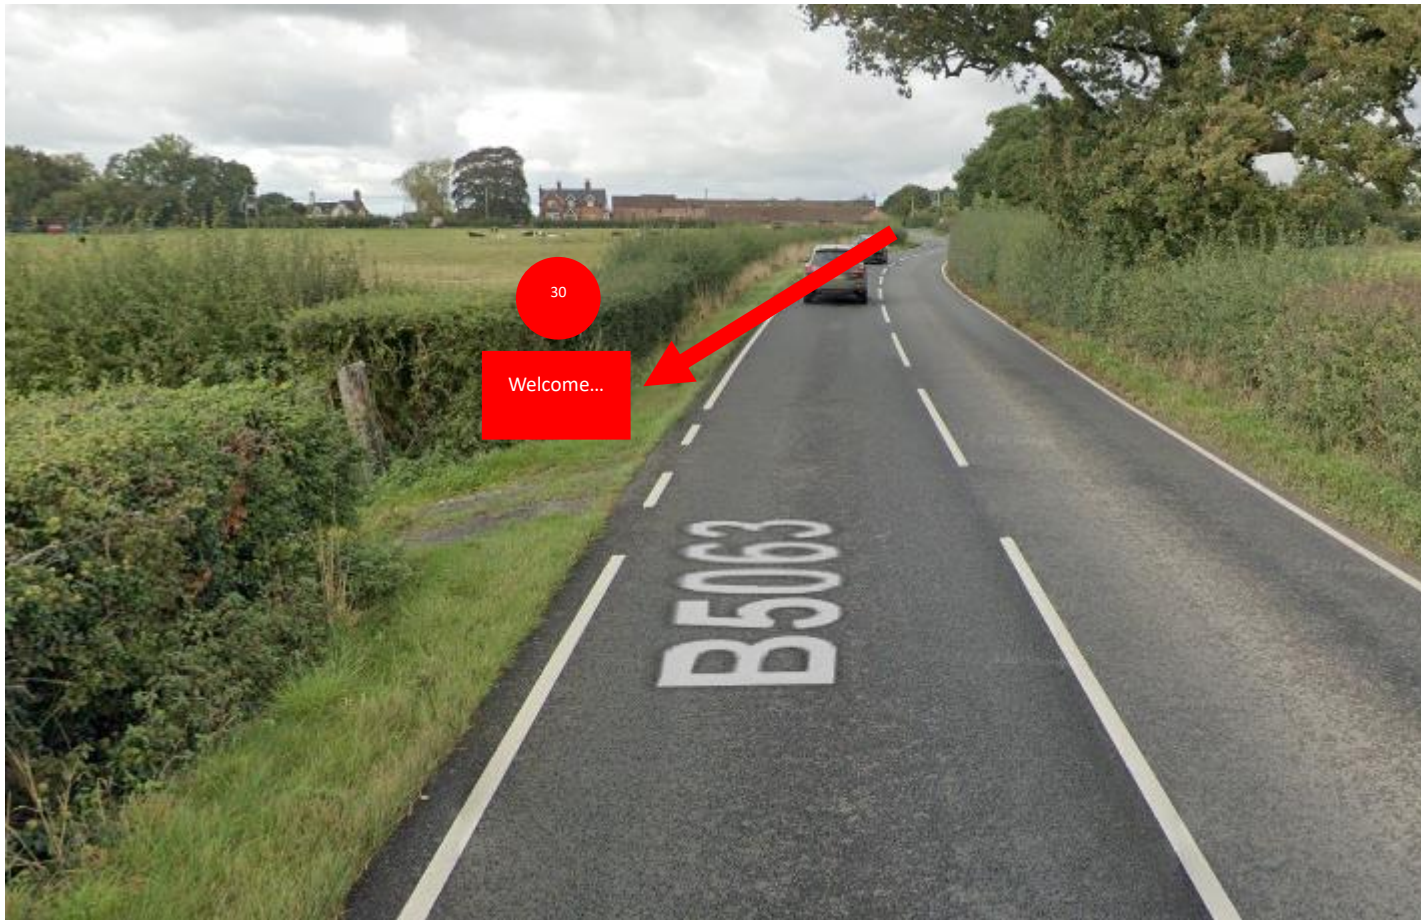

Detail: Introduce cobble strip across this road to slow drivers in both directions. Location: **///respected.bulges.stubble**

Viewpoint 6

Detail: Change 40mph to 30mph before entering main built up areas of Longdon upon Tern. Clear current markings and replace with hatching each side to visually narrow road. Location: [///jiffy.wiggly.linguists](http://jiffy.wiggly.linguists)

Viewpoint 7

Detail: Bring welcome and 40mph sign further away from the current location to be closer to parish boundary and slow drivers down before entering London upon Tern. Location: **///relished.relocated.torches**
